**II. Basis for Jurisdiction**

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

Filing for EMERGENCY INJUNCTION to halt the 1/20/25 swear in of Donald J. Trump as President, for various legal reasons including, I believe I have video evidence of Mr. Trump allegedly conspiring to & admitting to allegedly intending to commit hate crime and other crimes that violate the rights of American Citizens AFTER he becomes President, starting on DAY ONE he brags in video. He would do so w/Presidential immunity hence why it is imperative that he NOT be sworn in as he has NOT been shy about what I allege are multiple nefarious intentions of which I allege he intends to use the cover of the Presidential immunity to commit whatever crimes he wishes, which is NOT the purpose of that sacred office nor the immunity. And I would suggest & caution, that once the "genie" is let out of the bottle, it will be near impossible to get it contained again, that is to say, I allege that once Mr. Trump is sworn in, it will be near impossible for anyone to get him to respect rights and follow laws as I allege he doesnt even do those things now. That said, also I am filing in regards to the affirmed, adjudicated insurrectionist Mr. Trump's ineligibility to hold a federal office according to TWO laws, one of which, Amendment 14 Section 3 of our Constitution, essentially clearly states the remedy to REMOVE the disqualification, it can only be DISABLED w/ 2/3 vote of each House, (w/o doing that, the disability of self-executing disqualification remains, thus Mr. trump, is BARRED from even becoming President).

The remaining defendants swore an oath to The Constitution and my claim involves the duty of the remaining defendants to protect the nation and protected classes from the affirmed, adjudicated ,insurrectionist Mr. Trump. I have in recent weeks attempted to report the alleged crimes that I allege Mr. Trump has committed/intends to commit AFTER he becomes President, but from my perspective no one is taking me seriously and or responding when I reach out. Similarly as i have attempted to contact also via proper channels & encourage govt officials to put Mr. Trump's self executing disqualification on record and declare Harris the winner of the 2024 election as she was the ELIGIBLE candidate that received most votes, no govt official responds, nor seems to care. Voters care and deserve for this to get sorted out in the courts.

My perspective after recent months w/no luck via proper channels is that govt officials are a well insulated machine w/many gate keepers making it near impossible to be heard on these critical matters. Time is running out, my goal is an Emergency Injunction to halt the swearing in of Mr. Trump while these matters get sorted out w/legal guidance of a court overseeing, ensuring the rights and safety of my fellow Americans, of protected classes, as well as other countries (Greenland, Panama canal, Canada) as well as this country, all remain & will continue to be safe and protected in the future from what I allege is a blatant, obvious and CURRENT enemy of the United States, that enemy, I allege is the affirmed, adjudicated insurrectionist, Mr. Trump....Judge, Respectfully requesting to be referred to as Jane Doe aka Crist due to the safety concerns in light of Trump supporters being known to terrorize people and places. Thank you for your consideration.

#### IV. Irreparable Injury

Explain why monetary damages at a later time would not adequately compensate you for the injuries you sustained, are sustaining, or will sustain as a result of the events described above, or why such compensation could not be measured.

Monetary damages can not repair lives that will be ruined if Mr. Trump is allowed to be sworn in then commit the crimes I allege he is intending to commit to violate the rights of protected class of as I understand it millions of Americans. I have video evidence to support my claims of these alleged crimes. I also have video evidence which I allege proves that Mr. Trump is still to this day an enemy of the US and therefore it is a risk to the safety of this nation and its people if allowed to be sworn in. Additionally having an enemy of these United States serving in the highest office of the land will do irreparable harm to the entire nation in ways that could not be measured. It is imperative Mr. Trump is NOT sworn in.

---

## V. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Requesting the Judge Issue an EMERGENCY Injunction stopping Mr. Trump from being sworn in while these matters are properly and thoroughly addressed w/the oversight of the courts.

Also requesting that you instruct President Biden Execute an Emergency Executive Order, officially and publicly clarifying that the affirmed, adjudicated insurrectionist Mr. Trump was effective 1/6/21 INELIGIBLE from holding a federal office and therefore is legally BARRED from becoming President therefor Harris was the only ELIGIBLE candidate with enough votes to win and will be sworn in as President while the matters here in are sorted out.

Also requesting Jury Demand
